ANNOUNCEMENTS

Reports and elections took up the greater part of the Congregational Business last Monday evening.

New Council Members were the Messrs. F. Roettger, H. Asquith, and N. Wengert.

Among the resolutions adopted:

That plans for the celebration of the 75th anniversary of our congregation be drawn up by the Council and presented in the April meeting;

That one trustee, yet to be designated, act as supervisor of the church janitor and that all matters pertaining to janitor work be brought to this trustee.

The Woman's League served the men supper in the Parish House prior to the Meeting. The chili was delicious. And the fine spirit of the women in arranging this supper is to be commended.

The new Council members will be installed in the service this morning. And following the service, the Council will meet in the school in order to elect the various officers.

We welcome Mrs. Cecil Martin, 810 West Main Street, into our membership. Mrs. Martin has ben transferred to us from St. Paul's Church of Topeka, Kansas.

Beginning the first Sunday in February the pastor will conduct a series of lectures on the Fundamentals of the Christian Religion. These lectures, which will take the place of the Sunday evening sermon, are intended primarily for the purpose of instruction. If you, therefore, would like to acquaint or reacquaint yourself with the great Christian truths, make plans to attend. Or, if you know of others who might be interested invite and bring them.

Notice to the treasurers of the various organizations in the congregation: Have your financial reports for 1943 in the hands of the pastor by next Thursday evening. We would like to publish these reports next Sunday.
